Comments: None.

ND = Not Detected, N/A = Not Applicable

The reported results are based on a sample weight with the applicable moisture content for that sample included; Unless otherwise stated, all quality control samples performed within specifications established by the Laboratory.

L. Bowman, Lab Director

This product has been tested by Capitol Analysis using valid testing methodologies and a quality system as required by state law. Values reported relate only to the product tested. Capitol Analysis makes no claims as to the efficacy, safety or other risks associated with any detected or non-detected levels of any compounds reported herein. This Certificate shall not be reproduced except in full, without the written approval of Capitol Analysis. Sample was not collected by Capitol Analysis. Therefore, Capitol Analysis makes no claims that the sample is representative. Method Numbers: INT12g01v3 (Foreign Matter Inspection), INT12G06v4 (Potency), INT12G15v2.3 (Terpenes), INT12G07v4.2 (Residual Solvents), INT12G14v2 (Mycotoxins), INT12g16v3 (Water Activity), INT12G11v5 (3M™ Petrifilm), INT12G12v5 (3M™ MDS Salmonella), INT12G13v5 (3M™ MDS E. coli).
