

We're hiring!

Do you have a passion for helping people? Does your passion include a knowledge of kombucha, kefir, natural supplements, vitamins and minerals? Apply today to join our team of dedicated **Wellness Advocates!**

Wellness Advocate Job Description:

Our Wellness Advocates help customers on their path to better health and well being. Wellness Advocates have a passion for health and wellness and helping people find it. This position is a part-time position with potential for full-time. Our Wellness Emporium stores are owned by our parent company Half Hill Farm Inc and are located in Woodbury, Murfreesboro, and Bell Buckle, Tennessee. Come grow with us!

Qualifications:

- Must have personal integrity, a positive customer friendly personality that generates referrals and creates long-lasting relationships
- Must be able to work weekends
- This position serves two locations: Murfreesboro (2136 Middle Tennessee BLVD) and Bell Buckle (13 Webb Rd. East)
- Must be at least 18 years old, have a high school diploma or GED equivalent
- Past or current caregiver experience or volunteer work is preferred
- We prioritize demonstrated success in sales
- We prioritize applicants with experience, higher education and knowledge of herbs, natural remedies, vitamins, minerals, kombucha, water kefir, and products we make and sell
- Must be able to train in our Woodbury location at 110 W High St. Woodbury, TN 37190

What We Offer:

- Our Wellness Advocate position makes \$15 an hour.
- Part-time position starts at 15-30 hours a week with option for full time.
- Locations: Murfreesboro and Bell Buckle stores
- We offer annual bonuses and periodic sales incentives

Who We Are:

We put our people first, and that's why we have such a dedicated team! Half Hill Farm Inc is the parent company of Wellness Emporium of Woodbury, Bell Buckle and Murfreesboro. We are a small company of 10 people focused on health and wellness. Our headquarters in Woodbury is where we ferment, keg, bottle and label all our popular kombucha and kefir we sell by the bottle and growler refill. We also make apple cider vinegar tonics, mushroom extracts, hemp products, bitters and more. Each store has a tap system for growler refills and features a wide variety of quality natural and organic supplements, vitamins, minerals focused on health and wellness.
